The Additional Director General  
Directorate General of Service Tax  
Mumbai.

Sir,

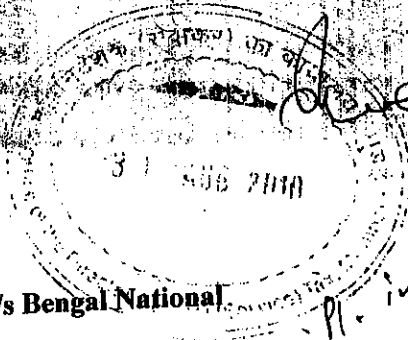

**Subject: - E-payment and e-filing-issue raised by M/s Bengal National Chamber of Commerce and Industry-regarding.**

Please refer to your letter F.No.V/DGST/30-Misc-28/10 /3067 dated 9<sup>th</sup> July, 2010 on the above subject.

In this connection, it is to inform you that this Directorate General has taken a number of measures which enable the Trade & Industries to pay their taxes and easily file their Central Excise and Service Tax returns and other documents electronically. Some of them are as follows:-

1. CBEC has provided a centralized web-based and work-flow based software application called ACES for enabling Central Excise / Service Tax assessee to register online and file returns and other documents online. They get instant e-acknowledgement of the document filed online and using this unique number they can ascertain the status of document online without visiting the offices.
2. A Circular No. 919/09/2010 dt.23.03.2010 has been issued by CBEC and is available in the ACES website ([www.aces.gov.in](http://www.aces.gov.in)), which provides step-by-step process for electronic filing of Central Excise and Service Tax returns and also to deposit their taxes electronically.
3. A self learning Management Software (LMS) has been hosted on the ACES website ([www.aces.gov.in](http://www.aces.gov.in)). This also gives step-by-step procedure to work in ACES.
4. A Brochure has been also posted in ACES website for helping the assesses.
5. All the new developments are provided in What's New Section of the ACES website
6. A Service Desk with national toll-free number 1800 425 4251 and e-mail ID: [aces.servicedesk@icegate.gov.in](mailto:aces.servicedesk@icegate.gov.in) has been set up to redress the problems of assesseees. The assesseees may also send their suggestions to Service Desk for improvement in his ACES application.
7. 28 banks have been authorized to collect Central Excise and Service Tax. Electronic Accounting System In Excise and Service Tax (EASIEST) portal (<https://easiest.nic.in>) with link to all major banks has been provided to facilitate on line payment of taxes. A link for accessing this site has also been given in the ACES website under 'e-payment.

8. The ACES server is maintained properly and ACES website also provides information on the procedure for many e-payments of taxes / duties under what's new section. The ACES server is monitored regularly monitored during peak -filing period of returns to avoid any inconvenience to the assesseees.

I would request to bring these facts to the notice of M/s Bengal Chamber of Commerce and also to other members of trade & industry.

We are providing wide publicity about the benefits of using ACES through print and electronic media. We are including a brochure on ACES and a CD containing the LMS for your information.

Should you require any other information; you can use this website ([www.aces.gov.in](http://www.aces.gov.in)) or write to us. In case you want to organize any program to sensitize your members about the ACES program we will be too happy to attend and interact with the participant.

Yours faithfully,

  
(Rajeev Agarwal)

Additional Director (Systems)
