Sub: Instructions / Procedure for issuance of NOC to exporters requesting for supervision of stuffing and sealing of containerized cargo and allocation of work amongst the field officers for such supervision and sealing.

Attention of all manufacturers and exporters is invited to various Circulars/instructions issued by the Board from time to time laying down the procedures of stuffing and sealing of export containers, provision for single factory stuffing permission, export of non-excisable goods under self-sealing and self-certification and other related instructions in the subject matter.

The reports called from the field formations have indicated that the number of exporters opting for stuffing and sealing of export containers in presence of the Central Excise officers has substantially increased even though the facility of self-sealing has been extended to all the categories of manufacturer-exporters. It is also noticed that the work of supervision of stuffing and sealing of the export containers has grown in a lop-sided manner where some ranges have been overloaded with such work as compared to the others which may be affecting the quality of examination being carried out for exports. In this background the issue has been examined and in order to bring uniformity in practice in the Commissionerate the following procedures are being laid down to streamline the procedures.

3. Procedure for issuing No Objection Certificates [NOC] and Verification Reports

3.1 The earlier practice where the Custom House on receipt of application for permission for factory stuffing from the exporters made reference to the concerned jurisdictional Assistant/Deputy Commissioner of Central Excise [with a copy to the jurisdictional range Officer] for verification of genuineness of the existence and functioning of the Unit has been changed by JNCH, Nhava Sheva vide their Public Notice No. 23/2010 dated 26.02.2010 issued from F.NO. S/6-Misc-02/2007-FSP-JNCH. The Public Notice [in Para 10] now requires the exporters to submit their applications for Factory Stuffing Permission [FSP] along with the following documents:
16, NOC issued by the Central Excise Authorities for deputing officers for supervising the stuffing of export cargo;

(ii) Original copy of the verification report on genuineness of the existence and functioning of the factory.

This implies that the exporters would seek the NOC and the verification report from the jurisdictional Central Excise authorities prior to submitting their application for Factory Stuffing Permission [FSP].

3.2 The exporter requiring the documents mentioned in (i) & (ii) above shall make an application to the jurisdictional Assistant/Deputy Commissioner in the prescribed application form [as in Annexure-I] along with the supporting documents. The jurisdictional Assistant/Deputy Commissioner of Central Excise shall either issue NOC or communicate the inability to provide the officers for the supervision work to the exporter within 3 working days from the receipt of the application. The NOC and the verification report must invariably be issued under the signature of the jurisdictional Assistant/Deputy commissioner of Central Excise.

3.3 The facility of self-certification and self-sealing extended to all categories of manufacturer exporters by the Board under the Circular no. 736/52/2003-CX dated 11.08.2003 needs to be encouraged amongst all such manufacturer exporters so as to decrease the excessive work load on the field officers. Attention is also invited to the Board Circular No.860/18/2007-CX dtd.22.11.2007 issued under F.No.209/06/2007-CX.6 wherein it has been reiterated that exports under free Shipping Bill i.e. Shipping Bill, wherein no export benefits are being sought, the manufacturer-exporter shall mandatorily resort to self-sealing of containers. No request for stuffing and sealing of such export containers shall be entertained.

4. Allocation of the work of supervision of stuffing and sealing of the export containers.

4.1 The exporter to whom the NOC has been given and who has obtained the factory stuffing permission from the concerned Customs Station, as per the existing instructions, shall make an application to the Assistant/Deputy Commissioner in-charge of Technical Section in the format prescribed [as in Annexure-II], at least 48 hours in advance, for allocation of officers for the work of supervision of examination, stuffing and sealing of the export containers. Attention, in this regard, is drawn to the Board’s Circular No. 934/24/2010-CE dated 25.08.2010. Board has decided to provide online scheduling for factory stuffing examination by Central Excise Officers. The trade should, accordingly, submit their requisition for officers in the official e-mail Id hqtech@rediffmail.com
provided to the Technical Section.

4.2 All the applications received from the exporters would be acknowledged by endorsing the time and date of receipt. The applications shall be disposed by following the standards of First-in First-out [FIFO]. The Technical Section will depute the officers to attend / supervise the work of examination, stuffing and sealing of export containers. If the officers are not available the exporter would be immediately informed about the inability to provide the requisite officers. The name of the officer nominated for the work of supervision along with his contact details will be informed to the exporter who would get in touch with the officer for getting the work done.

4.3 It may be noted that the work of supervision of export container, not being the normal work of Central Excise, shall be attended only on payment of Merchant Overtime Fee [MOT]. Merchant Over time fee for supervision of stuffing and sealing of export cargo is required to be paid at the specified rates under Customs (Fees for rendering Services by Customs Officers) Regulations, 1998. If a manufacturer or exporter requisitions the services of Central Excise Officers for supervision and examination of export cargo and stuffing in containers at his premises, such officers also discharge functions of “Customs Officers”. The MOT fees are to be paid in advance by the exporter as per their plan for stuffing. On confirmation of the availability of the officers by the Technical Section the exporter shall pay the MOT in advance and submit a copy of challan to the Technical Section.

4.4 If the Factory stuffing permission issued by the Custom Station requires supervision of Assistant/Deputy Commissioner the jurisdictional Assistant/Deputy Commissioner of Central Excise shall do the needful.

5. Submission of Report regarding examination, stuffing and sealing of containers.

5.1 The inspector/superintendent nominated, for the purpose of examination, stuffing, sealing of containers, would act as a Sector/Range officer for that purpose. The officer shall, after supervising / examining the export consignment, submit the signed export documents along with the samples drawn to the jurisdictional range office as per the relevant departmental instructions. He would also ensure that duly completed examination report accompanies the export goods as per the extant instructions/circulars on the subject.

6. The above instructions are to be read with the existing Board instructions and circulars and shall strictly be complied. Any difficulty in following the above mentioned instructions may be brought to the notice of the undersigned.
7. The above laid down procedures would come into effect from 4th of July, 2011.

All Trade Association and Chambers of Commerce and Members of Regional Advisory Committee are requested to publish the contents of this Order among their members/constituents for timely compliance.

To,
The Deputy/Assistant Commissioner (Tech.),
Central Excise & Customs,
Headquarters, ______ Commissionate

Subject: Requisition for allotment of Inspector/Superintendent for supervision of stuffing/sealing of export container

We have planned export of our cargo under Central Excise supervision. This would require allocation of Inspector/Superintendent for the purpose of examination, stuffing and sealing of export container(s).

The details are as given below:

<table>
<thead>
<tr>
<th>Sr. No.</th>
<th>Container No.</th>
<th>Name of commodity</th>
<th>Nature of goods</th>
<th>Qty</th>
<th>Assesable Value</th>
<th>MOT paid for</th>
<th>Export under Rebate/Bond</th>
<th>Export Promotion Scheme</th>
<th>Date &amp; time of container to be stuffed</th>
</tr>
</thead>
</table>

You are requested to depute your officer as requested above.

Yours faithfully,

(Exporter/Authorised signatory)
